Stl. Sectt. Slip 24 B e.

These papers deal with the question of utilising savings in the current year's Central grant for the welfare of the Vimukta Jatis.

2. The current year's ceiling grant is Rs. 7 lakhs. The accompanying statement shows the progress of expr. on account of the various schemes sanctioned by the Govt. of India. It will be seen therefrom that expr. on the sanctioned schemes is expected not to exceed Rs. 5,80,332/-.

Recently, the Govt. of India have sanctioned addl. schemes costing Rs. 61,000/- The main file on the subject has been submitted to Government for orders as to whether we should proceed with implementation ofthese schemes. Most of the schemes recently sanctioned by the Government of India involve recurring expenditure for 12 months. As there is only one month left expr. on these additional schemes can be incurred only on non-recurring items. As indicated in that file it will be possible to incur an expr. of only Rs. 27,000/- as against the Central grant of Rs.61,000/-. The total expenditure during the current year would (assuming that the additional schemes are sanctioned by Government) be Rs. 6,07,332/- Thus a saving of Rs. 92,668/- would result in the current year's grant. The question for consi-deration is how this saving should be utilised.

3. Under our letter dated the 31st January 1956, we had submitted to the Govt. of India proposals for utilising a saving of Rs. 2,43,000/- in the Central grant for the

2.....

last two years. The Govt. of India have not allowed us to utilise these savings. The proposals which we submitted to the Govt. of India may well be considered for utilisation during the current year. The subjoined statement shows these proposals.

Item.	Amount orginally proposed.	Remarks.
	Rs.	
1) Berads in Gujarat Katki range:	1,00,000	(We may spend roughly (Rs. 30,000/-. The exact items (may be determined after Jt.
2) Assistance to Kalipada co-Operative farming Society.	10,000	(Secy. visits Belgaum.on28-2. .... May be pressed for.
3) Uplift of Ramoshis of Man taluka in North Satara Dist.	20,000	May be pressed for.
4) Assistance to Vimukta Jatis in Distrubs.	1,13,000	Please see following para.
Total:-	2,43,000	Rs. 60,000 (for admitted items)

4. We had set apart an amount of Rs. 1,13,000/- for uplift of Vimukta Jatis in different districts. So far we have received proposals from the Collr. of Kaira, Baroda and Sholapur. The Collector of Kaira and Baroda have proposed utilisation on Vaghris and indidentally also on Dharalas and Nats. for thw Waghris, a grant of Rs. 11,400/- has already been sanctioned by the G vt. of India. Their case is on par with the Ramoshis. For Ramoshis we propose to utilise Rs..20,000/- Sirilarly, for Waghris we may spend an addl. amount of Rs. 9,000/- making a rough total of Rs. 20,400/- . This may be utilised for the three Talukas of Kapadvanj, Matar and Mehmedabad of Kaira Dist. The Collector of Sholapur

has.....

has submitted proposals for Rs. 13,000/- for the Vimukta Jatis of Savadgar, Kotgil, Pandharpur, Barsi and Sholapur. The proposals are in order but may be reduced to Rs. 10,000 The R.C.S. has submitted a proposal for an additional grant of Rs. 8,000/- for financial assistance to Co-operative Farming Societies. This is a sound proposal and may be agreed to. The balance of Rs. 5,668 /- may be utilised for the ex-C.T.s of Hubli in the manner to be decided by the Jt. Secy. after his visit to Hubli on 29-2.

3. To sum up, the proposals, for utilisation may be as under :-

	Rs.
1) V.J.s of Belgaum.	20,000
2) Palipada Co-operative farming Society.	10,000
3) Ramoshis of Kan.	20,000
4) Waghris of Kaira.	9,000
5) Co-operative farming Societies.	8,000
6) V.J.s of Sholapur	10,000

The accompanying draft letter to the Government of India has been put up on the basis of my note dated the 24-2-56. It may issue after Finance Department had seen. It may be stated for the information of Finance Department that of the current year's ceiling grant of Rs. 7 lakhs. for welfare of Vimukta Jatis, an expenditure of about Rs. 6,07,332/- is expected to be incurred. The resultant saving of Rs. 92,666/- is proposed to be utilised on the items indicated in the accompg. draft letter. The entire expdr. is to be borne by the Govt. of India. There will therefore be no burdern on the State offers under these proposals. If these measures, are approved by the Govt. of India, it may be necessary to withdraw an amount of Rs. 92,666/- from the contingency fund. The question of actual withdrawal may be considered after the Govt. of India concurrence is received.

Submitted with ref. to office noted dt. 27-2-1956.

2. The Jt. Secy. has since visited the Ex. C.T.Settlements at Hubli and Settlements of Berads in Belgaum Dist. As directed by him, the following amounts may be allocated for the Hubli Settlements and the Berads at Belgaum from the savings available during the current financial year from the grant of Vimukta Jatis. In our letter to the Govt. of India, dt. the 29-2-1956, we have already mentioned about the provisions required on the item referred to above.

1. Rs. 20,000 for the urlift of the Berads of Gujanal-Kahti range in Belgaum Taluka

A labour contract society of the Berads of the above area is to be organised immediately and the entire amount of the grant should be paid to the society.

2. Rs. 15,670/- for the uplift of the Vimukta Jatis in Dharwar District.

i) Rs. 5,000 to each of 2 Industrial schools run by Shantiniketan Society and a similar society at Gadag.

ii) Rs. 5,670/- to be placed at the disposal of the Collector of Dharwar for payment of grant to certain Ex.C.T. schools at 4 centres. The details of the above two items may be communicated to the Government of India as per draft letter put up. The Collector concerned may be requested to indicated some more details.

Jt. Secy. had observed that this sum should be paid as follows:-

Rs. 5,000/- for wages to the labours.

Rs. 15,000 for contribution to the Reserve Fund.

Submitted after JT. Secy's tour in Belgaum and Dharwar districts. Action that remains to be taken on these papers is to communicate to the Govt. of India our proposals for utilisation of Rs. 20,000/- earmarked for the Berads of Belgaum and Rs. 15,600/- for the Ex-Criminal Tribes. of Dharwar district. Today we have received a communication from the Government of India. in regard to our proposals for utilisation of saving in the current year's central grant. The Government of India have approved iters items Nos. (2) and (3) communicated in our letter dated 29-2-56 and have sanctioned an additionalgrant of Rs. 30,000 on account of these items. The sum total of these items is Rs. 28,000/-. It is not clear ~~of these items is Rs. 28,000/- involved~~ in these two iters. It is also not clear whether the Government of India have reiected the other iters. If the Government of India have not approved the other items, no useful purpose would be served by writing to the Govt. of India with regard to utilisation of the grants of Rs. 20,000/- and Rs. 15,600/- earmarked for the Ex-Criminal Tribes of Belgaum and Dharwar; The receipt of Government of India letter may be awaited in the first instance.

Why Govt. of India have sanctioned a grant of Rs. 30,000/ against an expdr. of Rs 28000, involved.

DL/27-8/

The Govt. of India have under their telegram dated 7-3-1956 sanctioned an amount of Rs. 30,000/- on schemes No (2) and (3) of Ex-Criminal Tribes from out of the saving available from the grants sanctioned by the Government of India for the welfare of Ex-Criminal Tribes.

2. This Deptt., had submitted schemes for utilisation of savings from the Ex-Criminal Tr. grants under the following two letters.

i) G.L.NO.MBC. 2555-E, dt.31-1-56.

ii) G.L.NO.MBC.2156/5263-E dt. 29-2-56.

It is not clear to which of the schemes recommended under the above two letter the Govt. of India's present sanction referes to. We have already requested the Govt. of India vide our telegram No. MBC 2156/E, dt. the 13-3-1956 to clarify their reply is not received. It is however seen that scheme No. (2) of G.L. dt. 29-2-1956 are-e and scheme No. (3) of G.L. dt. 31-1-56 are one and the same viz. Rs. 20,000 for the uplift of the Ramoshis and Langs of Lan Taluka in N.Satara District. This scheme being common in both the letters referred to above it can safely be assumed that Govt., of India'd sanction to Rs.30,000 includes this particular scheme of Rs. 20,000 forthe uplift of Ramoshis. Pending receipt of clarification from the Govt. of India it is proposed that we may proceed ahead with the implementation of this scheme.

3. We have received a letter from Shri Gadge Maharaj Seva Sangh, Nasik offering their services for implementation of the scheme..

the scheme for the pplift of the Ramoshis in
"an Taluka in the N.Satara district. The
' (B.C.) desires that Govt. may accpet Shri
Gadge Maharaj Mission's offer and authorise
them to implement the scheme in question..
It will be necy. to obtain an advance from
Contingency Fund to meet the expenses on a/c
of this scheme, but the Govt. of India
has been separately approached for clarification
as stated above and it is desirable that an
advance from F. D. is obtained for the entire
sanction of Rs. 30,000/-. In the meantime,
the Mission may be advised of the Govt 's
decision to entrust to it the implementation
of the scheme in question and told to proceed
ahead with the scheme. Necessary funds will however
be allotted only after an advance from C.F. is
sanctioned.

A draft letter is accordingly put up
which may issue after the F.D. has seen.

Id/- A.S. 1.

16-3-56.

These is no ambiguity about the Government
of India approving our proposal for the uplift
of Ramoshis of North Satara. The Commissioner
whom M (BCD) had contacted on phone, had also
observed that the proposal of the uplift of
Ramoshis of North Satara had been agreed to by
The Government of India.

2. An advance from the contingency fund to
the extent of Rs. 20,000/- forthe uplift of Ramoshis
of North Satara will have to be drawn. This can be done
only after clarification sought for in our telegram
on p. 93/c is received. The advance will be for
a consolidated su- which the Govt. of India
would,....

would be sanctioning for our proposals including the proposal for the uplift of Ramoshis of North Satara. This will taken ee some time. Very few days are now left over and it is necessary to ensure that the amount for the Ramoshis is fully utilised before the close of the current financial year. It is, therefore, proposed to ask the Gadge Maharaj Samiti to go ahead with implementing the schemes and to inform them that payment would be made to them after the advance from the contingency fund is obtained. In accordance with the recent decision of Government an advance from the contingency fund can be obtained if the Minister in charge of a Department takes up the case with the Chief Minister. There would, therefore, be no difficulty in getting the necessary advance from the contingency fund to meet the cost of this measure. The Finance Department had already approved of these measures. The accompanying draft letter may issue.

The Government of India, Ministry of Home Affairs, have sanctioned grants on the following schemes for the welfare of Ex-Criminal Tribes during the current financial year.

i) Financial assistance to the Palipads Coop. Farming Society.	Rs. 10,000/-
ii) Uplift of Ramoshis & Mangs of Man Taluka in North Satara District.	Rs. 20,000/-
	Rs. 30,000/-

The above amout is to be met out of the savings in the total grants sanctioned for the welfare of Ex-Criminal Tribes by the Govt. of India during this year. Grant at (i) is to be paid to the society mentioned above and the grant at (ii) is to be given to Shri Gadge Maharaj Mission to whom the scheme for the uplift of Ramoshi and Mangs in Man Taluka is proposed to be entrusted for implementation As both the schemes are new schemes not provided for in the budget, expenditure on those schemes will have to be initially met by an advance from the Contingency Fund to be recouped sebsequently. In accordance with the latest procedure vide M.(F.D.)'s minutes dated 29-2-1956 in-linked file below, a proposal for an advance of Contingency Fund is to be taken by the Minister in charge to the Minister (Finance) and to the Chief Minister. The present case may kindly be taken up by the M(R.C.D.) for an advance from the Contingency Fund accordingly. A formal application for such an advance is attached. As the grants are to be utilised before the close of the current financial year, favour of an immediate action is solicited.

under....

Under G.L. R.H.& B.C.D.NO.MBC 2155-E, dt. 20-3-1956, Shri Gadge Maharaj Mission has already been requested to proceed ahead with preliminary arrangements for the implementation of the scheme at (ii) overleaf. A draft G.R. sanctioning the two grants is put up, which may issue after an advance from the contingency fund is sanctioned.

Grant in aid for the welf re of --

Reference Government Letter, Rehabilitation, Housing and Backward Class Department, No. MBC 2555/3450-E dated the 16th January 1956, on the subject mentioned above.

I enclose a statement showing the estimated expenditure on welfare of schemes for the Vimochit Jatis, totally financed from the Government of India grant and the anticipated saving in the grant in aid sanctioned by the Central Government. It will be seen from the statement that a saving amounting to Rs. 23,830/- is likely in the case of scheme No 1 viz. Maintenance of Ashram School-cum-Sanskar Kendras for pupils of Vimochit Jatis. In case of the Ashram Schools cum Sanskar Kendras at Kundhwa and Kolhapur are started a further amount of Rs. 8,880/- out of Rs. 23,830/- would be utilised leaving a final saving of Rs. 14.950/-.

As regards proposals for utilisation of savings in the Government of India grant it may be stated that I have no schemes to propose as the time is very short, and funds, if any, allotted hereafter are not likely to be utilised.

A reference is however, invited to the proposals communicated by this office to the Director of Backward Class Welfare regarding supplementary programme for the current year, in this office letter of even No. dated 27-12-1955. Even if these proposals were to be sanctioned now it would not be possible to utilise fully the funds for the implementation of the proposals.

To

The Secy. to the Govt. of India,
Ministry of Home Affairs,
New Delhi,

Sub: - Vimochit Jatis.
Grants-in-Aid for the Welfare, Utilisation
Saving for the year 1956-56.

Sir,

I am directed to refer to the correspondence ending with Shri Mani's telegram No. 2/5/55-Pub. II, dated the 22-2-56, on the subject mentioned above, and to state that the Bombay Govt. notes with regret that savings in the past years' Central grant for Vimukta Jatis will not be available for utilisation during the current year.

2. With regard to savings in the current year's Central grant for the Vimukta Jatis, a statement showing the progress of expenditure on the various measures sanctioned by the Government of India under their letter No. 6/6/55-Public-II dt. the 25-7-55 is endosed. The Govt. of India have subsequently sanctioned schemes estimated to cost Rs. 61,000/- under their letter No. 6-6-55-Pub-II dt. 8th Feb., 1956. As the Central sanction has been received very late, expenditure on these schemes will be confined mostly to non-recurring items. As against the Central grant of Rs. 61,000/- an expdr. of only Rs. 27,000 is expected to be incurred during the current year. The total expenditure on measures for the welfare of the

Vimukta Jatis is therefore expected to be Rs. 6,07,332 (Rs. 5,80,332 as shown in the Accompanying statement plus Rs. 27,000 on a/c of the addl; schemes sanctioned under the Govt. of India letter dt. 8-2-1956) The current year's ceiling grant for the welfare of Vimukta Jatis is Rs.7 lakhs. A saving of Rs. 92,668/- is, therefore, expected to occur in the current year's grant.

3. The Govt. of Bombay proposes to utilise this saving as under :-

(1) Rs.10,000/-. <u>for financial assistance to the Palipada cooperative Farming Society, Dist. Thana.</u>

This society consists of Futgis who were formerly treated as a Criminal Tribes. The Society has managed its affaris well under the supervision and guidance of Shri V.V.Dandekar, an eminenet social worker of Palghar. The So ciety has received financial assistance in the past both from the State Govt. and the Govt. of India and has utilised it to the best advantage of the Futgis. The Socity has been allotted a block of 500 acres of land. The Society proposes to develop about 100 acres of land and fequires assistance as detailed below.

(a) Clearing of shrubs from 100 acres at Rs. 40 per acre. ------ Rs. 4,000/-.

(b) Ploughing and leavelling of land at Rs. 60/- per acre. ------ Rs. 6,000/-.

Rs. 10,000/-.

(ii) Rs. 20,000/-. <u>For the uplift of Ramoshis of Man Taluka in North Satara District.</u>

3....

The case of Ramoshis is analoguous to that Waghris. This community was denotified two years prior to 13-8-1949 but has still ~~two-years~~ retained its criminal propensities. The Central Government were informed that as a Central grant was sanctioned for the uplift of Waghris, a similar grant should be sanctioned for the uplift of Ramoshis (vide this Government letter No. MBC 2155/30688-E, dated the 4th August 1955). The Ramoshis of North Satara District particularly in the Man Taluka are still engaged in anti-social activities. The following measures are therefore proposed to be undertaken on 3/4 subsidy basis.

(i) Supply of 30 sets of agricultural implements at a Rs. 200/- each, as shown below:-

(a) One plough--	Rs. 80/-.
(b) One Harrow--	Rs. 20/-.
(c) One Seed drill--	Rs. 40/-.
(d) One pair of hoes- (entire)---------	Rs. 20/-.
(e) One pair of Hoes - (Stiff).--------	Rs. 20/-.
(f) One claud crusher----	Rs. 20/-.
Total :-	Rs. 200/-.

Cost to Government at 3/4 rate Rs. 150/-.

(ii) Rs 8000/-

(ii) Supply of 30 premium Cows and 3 breeding bulls --- Rs. 4,500/- --- Rs. 8,000/-.

(iii) Subsidy of Rs. 250/- to each family for keeping selected yews and rams to 20 families. ------ Rs. ~~5,000~~ 2,500/-.

(iv) Subsidy to Ramoshies agriculturists for poultray keeping.------- Rs. 2,500/-.

Rs.20,000/-.

(iii) Rs. 8000. For financial assistance to Cooperative Farming Societies.

A grant of Rs. 100000/-. was sanctioned by the Govt. of India for assistance to V.A. a riculturists. This has been split up as under:-

Supply of ploughs at subsidized rate.	---	Rs. 48,000
Assistance to Coop. farming Societies.	-----	Rs. 52,000
		Rs.1,00,000.

The sum of Rs. 52,000 is found to be indequate and needs to be supplemented by Rs. 8,000/-.

(iv) Rs. 9,000/-. <u>for the Waghris in Kair District.</u>

The Government of India have sanctioned a grant of Rs. 11400 for the Waghri Boarding house. As stated already, the case of Waghris is analogous to that of Ramoshis. Govt. therefore proposes to spend an additional amount of Rs. 9000 on the Waghris in Kaira District as under : -

Sr. No.	Taluka	Dewelling house.	Purchase of cows or she buffaloes.	Subsidy for seeds tools, or manure.	Total.
		Rs.	Rs.	Rs.	Rs.
1)	Kapadwani.	2,000	-	1,000	3,000
2)	Malar.	-	2,800	200	3,000
3)	Mehmedabad.	1,000	1,600	400	3,000
		3,000	4,400	1,600	9,000

5.....

The amounts will be spent as under.

1) Building purposes :- Subsidy upto Rs.200/ to be given to a family for construction and/or repairs.

2) For purchase of cows and she-buffaloes a subsidy of Rs. 200/- to be given per family.

3) For agriculturist tools and implements, a subsidy of Rs. 25/- to be given per family.

4) For purchase of seeds and manure a subsiy of Rs. 20/- to be given per family.

The total amount for Wadhris would thus be Rs. 20,140/-.

(v) Rs. 10,000 <u>For the Vimukta Jatis of Sholapur District ad under</u> :-

1) <u>Sholapur</u>

Rs. 1200/-. for subsidy to 6 trainees at Sholapur Training Centre for purchase of a sewing machine, subsidy being given at Rs. 200- per machine.

Rs. 1650/- for subsidy to 30 widows for purchase of amber charkha, subsidy being given at Rs. 55/- per charkha.

2) <u>Hotgi</u>. The V.Js. (64 families) are mostly agriculturiests. Subsidy as shown under is proposed.

Item.	Cost	Subsidy proposed	Cost of subsidy.
Iron plough	50	35	945
Leveller.	26	21	210
Well Varavants (One agriculturist)	500	400	400
Sewing machine	325	200	200

1	2	3	4
Carpentry tools.	50 (each set).	35	525
			2280.

3) Barsi.

The number of families is 45. A considerable number of men and a few women are mill employees. Some have lands of their own or cultivate lands of others as tenants. They have no iron ploughs or harrowers or sowers of their own. It is proposed to give subsidy of Rs. 583/- for purchase of 11 iron ploughs and 11 sets of sowers and harrowers. There are some widows having little or no means of maintenance. It is, therefore, proposed to give them subsidy of Rs. 600/- for purchase of three she buffaloes and Rs. 275/- for purchase of 5 Ambar Charkhas.

4) Pandharpur.

The V.Js. are mostly fishermen. They jointly want one net costing Rs. 1,500. It is proposed to give them a subsidy of Rs. 1125/-.

5) Savatgaon:-

The V.Js. are mostly agricultural labourers. They reside in grass huts. It is proposed to give them corrugated 10 iron sheets and 4 timber pales. They all have agreed to reconstruct their huts within one month with their own labour, on receipt of this material. The cost on this account would be Rs. 2,200. It is also proposed to give one Rajput Bhamta an iron plough at a subsidy of Rs. 40/-.

The total expenditure on Sholapur District

Will therefore be :-

1) Sholapur	Rs. 2850/-.	
2) Hotgi.	Rs. 2285/-.	
3) Baris.	Rs. 1458/-.	
4) Pandharpur	Rs. 1125/-.	
5) Savatgaon.	Rs. 2240/-.	
	Rs. 9958/-.	or Rs. 10,000/-. in round figures.

vi) Rs. 20,000/-. <u>for the uplift of Berads of Gajanan-Kakati range in the Belgaum Taluka.</u>

An ~~~~ amount of Rs. 100000/- was proposed by this Govt. under G.L.,R.H.& B.C.D.NO.LBC 2555/E, dt. 31-1-1956. As the Govt. of India have not agreed to the utilisation of past savings, it is proposed to spend an amount of Rs. 20000/- only during the current year.

vii) Rs. 15.668/-. <u>for the uplift of the V.Js. in Dharwar Dist.</u>

There is a considerable population of the V.Js. in Dharwar Dist, particularly at Hubli and Dharwar. It is proposed to spend an amount of Rs. 15,000/- on their welfare. (The actual items on which the sum of Rs. 20000/- for Berads of Belgaum and of Rs. 15000/- for the V.Js of Dharwar will be communicated to the Govt. of India for information after Jt. Secy.'s visit to these Dists. on 28th and 29th Feb. 1956.

Total: Rs. 92,668/-.

---

4. Fifteen spare copies of this letter are enclosed herewith. As the year end is fast approaching concurrence on the above proposals may kindly be communicated telegraphically.

8.....

kindly be communicated telegraphically.

Yours faithfully,

Joint Secretary to the Govt. of Bombay,

1. The Joint Secretary to Govt. in Rehabilitation Housing and Backward Class Department, Bombay said that he had been to the Bardd Habitation at Budryanur, discussed with Berads about their difficulties and inspected the forests lands cultivated by them. He pointed out that the Berads, in those areas cannot easily be shifted to some other area for their proper settlement and that some chemes will have to be worked out for their rehabilitation in the area in which they are now residing.

2.....

He said that the economic condition of the Berads is far from satisfactory in view of the meger income they derive from agriculture. He therefore, requested the members present to offer their suggestions if any for the rehabilitation of this community with a view to arrive at an unanimous decision to the best advantage of the Berads.

It was also pointed out that they have encroached upon forest lands and are cultivating the unauthorisedly since many years in spite of the fact that they are every year penalised by the forests department by way of levy of fine for such unauthorised cultivation. He therefore suggested that something must be done to augment their agricultural income so that they can lead and honest life, leaving their other anti-social activities. He therefore, placed before the Committee the following two suggestions in the first instance, to give relief to the Berads to improve their economic conditions :-

(i) To consider the possibility of giving out some of the forest lands encroached upon by the since many years either on permanent basis or in some other way legalising the encroachment made by them so that they can improve the lands instead of heavy fines that they are required to pay at present.

(ii) To start some relief works such as constructions of roads or felling of forest coupes on co-operative basis etc. to give immediate economic relief to the Berads with a view that they could save some amount out of the labour they could get and invest the same to start some other Co-operative activities. He said that Government is likely to grant an amount to the extent about Rs. 10,000/- forsuch works during the current year ending 31st March 1966, and that the works taken up should be such that they can be continued during the subsequent years with the grants that may be made available every year.

II. The Conservator of Forests said that allowing such patches of the lands to be cultivated in forests will be against the general policy of the Government in the best interest of preservation of forests in as much as they could create honeycombing.

But in view of the large number of families residing in that isolated area without any adequate cultivable land nearby, it was though advisible by all the members that the habitations or the villages in which considerable forest areas have been encroached upon by the Berads for cultivation, should be considered for legalising the encroachment by treating them "in forest settlement" villages. The Divisional Forest lands are leased out to the Berads on "Hangami Lagan" and that about 1100 areas of forest lands have been encroached upon by them. It was therefore, suggested that the question of disforesting and granting on permanent basis of the areas convered by "Hangami Lagan" should also be taken up. The Joint Secretary to Government Rehabilitation Housing and Backward Class Department suggested that while giving out these lands on permanent basis a condition should be imposed that the lands given to them should completely be brought under cultivation within a period of five years and that if it is found by Government that they have encroached upon forest lands any further, the entire area given to them on permanent basis would be forfeited to Government

The Divisional Forest Officer, Belgaum pointed out that there are about 6 villages viz., (i) - Budryanur, (ii) Bharmanhatti (alias Kabalapur) (iii)- Yenagutti, (iv) Gejapati, which he could name at present where considerable forest area in one patch has been encroached upon and which might be considered for treating them as "in forest settlement" villages since the Berads would be put to great hardship if they are deprived of these encroached lands. He further said that

He further said that he will submit his concrete proposals to the Collector through the Conservator of Forests in this respect. The Joint Secretary to Government, Rehabilitation Housing and Backward Class Department, suggested that a few selected villages should be taken up in the first instance wherein the "in forest settlement" scheme could be tried and the results achievedcould be observed with a view to see whether it would be worthwhile to extent the said scheme to other deserving villages in that area.

III. Then the question of giving immediate relief to the Berads with the hel of Govt. grants to the extent of Rs. 10,000/- was taken up for discussion. The executive Engineer, Belgaum presented a note about the chemes for rehabilitation of Berads by way of construction of some road in those areas, He suggested that the two roads, viz. (1) From Nanabarci to Islampur and (2) from Fulla to Basapur might be taken up with a view to provide labour to the Berads and also to break the isolation. It was unanimously decided that a Labour Contract Society should be formed for the entirearea covered by the Kakati and Gujanal ranges immediately. Sarvashri. B.Y.Deshpande, Hon. Secretary D.D.Board, Belgaum and H.I. Chimade, President Harijan Sevak Sangh, Belgaum promised that they could collect the share capital required for registration of the Society immediately, The Asstt. Registrar of Co-operative Societies, Belgaum said that he would arrange to help the Society for the first three years by giving departmental staff to run the administration of the Society in a satisfactory way. The Joint secretary to Govt., Rehabilitation Housing and Backward Class welfare Department, said that the Backward Class Welfare sub-Committee of the D.D.Board, could decide if necessary with the approval of the Collector as to which of the works should be taken up for Rehabilit tion of the Berads and start the same without delay as the grants are to be utilised during the current financial year.

It was also decided that Government should agree to the entire amount of the grant being handed over to the Society so formed so that out of the wages earned the 10,000/- would be spent in giving wages at prescribed rates for the work done by the Berads on the roads to be constructed/improved,) by these members about Rs. 6,000/- might be got credited from these members to the Society their deposits and the remaining amount of Rs. 4,000/- be given to them to supplement their existing income. This was suggested with a view that the amount of Rs..6,000/- with the Society could be utilised for some other work in the best interest of the Berads.

Iv. The Collector stated that a concerntrated effort is necessary with a view to atack this problem from all angles. The Collector said that it is with this view that on a reference from Government he had in consultation with all submitted a comprehensive proposal to Government under his No. GB/HSC/485, dated 22-7-1955. The Collector said that Government may consider implementing that scheme in the shape of a few years' plan. At present there is no guarantee of etting money every year.

V. The Joint Secretary, Rehabilitation Housing and Backward Class Welfare Department suggested that the availability of waste lands for cultivation in Bailu - an uninhabited village in Belgaum Taluka near these Berad habitations might be examined by the Assistant Collector, Belgaum Division. Belgaum and reported to the Collector about the advisiblity of granting such lands if any, to the Berads.

VI: The Joint Secretary to Govt., Rehbbilitation Housing and Backward Class Welfare Department, consulted the District Supdt. of Police, Belgaum about the present position of punitive tax levied on these Berads and also about the prohibition offences committed by them in those areas. The District Supdt. of Police, Belgaum

told that if the incidents of prohibition offences falls then only the question of remitting the punitive tax could be considered and that it all depends upon how the Berads behave (are rehabilitated). -

VII. The Joint Secretary to Government, Rehabilitation Housing and Backward Class Welfare Department, said that the in-complete well work at Budravanur said to have been taken up under the Village Water Supply Scheme should be completed with the funds. from out of the Village Water supply grants as early as possible since provision of drinking water facility is a great necessity in that area.

VIII. The Joint Secretary to Govt., Rehabilitation Housing and Backward Class Welfare Department instructed the Backward Class Welfare Officer, Belgaum to find out the No. of societies, working in the District for the welfare of the Berads and to report the extent of financial help if any, requeired by other Societies, which are working on sound basis for the uplift of the Berads. The Collector asked the Backward Class Welfare Officer to prepare a sort of directory about the Berad Community in the District and to explain to him in the next Co-ordination Meeting as to what other amoliorative measures he proposed for these "Vimukta Jatis".

IX. The Joint Secretary to Government, Rehabilitation Housing and Backward Class Welfare Department, thanked the members present and the meeting was thus concluded.

Collector of Dharwar,

Dear Shri Raiwade,

In continuation of my D.C. of even number of dated 9-2-1956, I am sending modified proposals for the utilisation of the Central Government grants as follows :-

1.	Shantiniketan Industrial Co-operative Society Ltd., Hubli.	Rs. 3,000/-. (Subsidy for purchase of tools and equipments).
2.	The Gadag-Betgeri Gramadyog Sahakari Sangha Ltd., Gadag.	Rs. 3,000/-. (Subsidy for the purchase of tools and equipments).
3.	Construction of Primary Schools, Buildings,	Rs. 7,425/-. (1/4 contribution @ Rs. 825/-.per school for 9 schools).
4.	For purchase of implements.	Rs. 1,600/-.
	Total.....	Rs. 15,025/-.

I consulted the 2 societies mentioned at 1 and 2 and I think Rs. 3,000/- proposed is adequate for purchase of equipments.

Early orders of Government may please be obtained to approve these proposals and for the allotment of grants.

My dear Sathe,

Ref:- This Deptt. telegram No.LBC.2156-E of 28th instant.

Please refer to our discussion early this month with regard to the utilisation of savings on the Ex-Criminal Tribes settlers at Hubli, I am afraid all my efforts have proved in vain and nothing has been heard from the Government of India with regard to their approval to the proposal we have sent up. I am sorry for any disppointment which must necessarily have been caused to you and your workers. I do however, hope that we should pursue the matter and secure assistanbe by some other means for the laudable purpose which we had in view!

Thanking you for all the interest which you have taken,

Yours sincerely,

Sir,

I am directed to refer to the concluding portion of paragraph 3 of this Government letter, Rehabilitation, Housing and Backward Classes Department, No. MBC.2156/-5263-E, dated the 29th February, 1956 and to say that as stated therein, the Joint Secretary to the Government of Bombay, Rehabilitation, Housing and Backward Classes Department, personally paid a visit to the Gujanal-Kakati range in Belgaum Taluka and the Ex-criminal Tribe settlements at Hubli and Dharwar with a view to devise ways and means for utilizing the Central grant in the most useful manner. The schemes prepared for the purpose are enclosed herewith for the information of the total saving of Rs. 92,670/- as proposed in the Bombay Government's letter of 29-2-1956. I need hardly add that that the current year is fast drawing to a close and that if the Government of India reactions are not received before 22nd March 1956, it will be assumed that the Government of India have no objection to the implementation of these schemes and to the expenditure thereon being incurred from the current year's savings

Accompeniment to Government l tter, Rehabilitation, Housing & Backward Classes Department
No . MBC 2156/E, dated the 17th March, 1956,

Sr. No.	Amount Proposed to be utilised.	Remarks.
1.	20,000	<u>For the uplift of the Berads of Gujanal-Kakati range in the Belgaum Taluka of the Belgaum District.</u> A number of villages in this range are almost exlusively inhabited by Berads. They are mostly engaged on land and allied occupations. They also work in forests. This range is practically cut off from therest of the Belgaum Taluka owing to the hilly nature of the tract and affords good hiding ground for the Berads for their anti-social activities. These anti-social activities are on the increase and urgent measures fortheir rehabilitation with a view to weani g them away from the their anti-social activities are necessary. The Commissioner for Scheduled Castes and Scheduled Tribes is well aware of the position. The first measure that needs to be undertaken is improvement of communications so that the isolation of Berads will be broken. The road Works will also provide employment which the Berads so badly need. It is therefore proposed to take up two roads- viz. (1) from Kanabargi to Islampur and (2) from Hulla to Basapur. A labour contract society is being formed for the purpose. It is proposed to give a subsidy of Rs. 20,000 to the society for the following purposes. (a) (a) Rs. 5,000 for payment of wages to the labourers in the initial stages; <u>and</u> (b) Rs. 15,000 for contribution towards the share capital andreserve fund. Considering the backwardness of the Berads, their general apathy towards cooperative organisations and the difficulties in constructing road works of large magnitude in this area, this subsidy is considered to be absolutely necessary.
2.	15,670	<u>For the Ex-Criminal Tribes in Dharwar District as detailed below:-</u> (a) Rs. 3,000 for subsidy to the Shanti-Niketan Industrial Cooperative Society Ltd. Hubli for purchase of tools and equipment (b) Rs. 3,000 for subsidy to the Gadag Belegiri Gramodyog Sahakari Sangha,Ltd. for purchase of tools and equipment.

P.T.O.

(c) Rs. 7, 425 for construction of primary school buildings in Ex-Criminal Tribe localities. Joint Secretary was convinced of the need for these buildings after an on the spot equiry. The amount will be treated as the prescribed 1/4 contribution of the villagers at Rs. 825 per school for 9 schools.

(d) Rs. 2,245 supply of equipment to Ex-Criminal Tribe agriculturists and artizans.

15,670.
